Milestones Luncheon Recap

Master of Ceremonies, Shelly Slater and Keynote Speaker, Laura Dern

Susie Munson, Byrd Teague, Lyda Hill, Lynn Brower and Betty Creach

Luncheon attendees listen to Keynote Speaker, four-time Golden Globe Award winning actress Laura Dern

Thank you to all who attended the Milestones Luncheon, presented by The Kohl Foundation, in the Hilton Anatole Hotel's Chantilly Ballroom on Friday, Nov. 16! Former WFAA personality and Master of Ceremonies, Shelly Slater, kicked off the day by welcoming the audience to the eighth annual Luncheon. The Reverend Dr. Christopher D. Girata, Saint Michael and All Angels Episcopal Church, opened with an invocation, and Milestones Luncheon Co-Chairs Nicole Metzger Brewer and Natalie Metzger Lesikar, along with Sustaining Luncheon Chair Pam Busbee took the stage to thank sponsors and donors who help support the JLD and its community outreach. JLD President Alicia Hall and Sustainer President Peggy Meyer had the distinct honor of awarding Ambassador Jeanne L. Phillips as the 2018-2019 Sustainer of the Year for reflecting the mission of the JLD and exemplifying JLD's goal of promoting voluntarism and improving the community through service, effective action and leadership.

As guests enjoyed the fall-inspired menu, they listened to Shelly Slater have a wonderful conversation with four-time Golden Globe® Award winning actress Laura Dern about the film, *Little Women*, that she is currently filming in Boston, her bond with her *Big Little Lies* co-stars, her mentors: including her mother, grandmother and male filmmakers. Guests could clearly hear the passion in her voice when she spoke about protecting our planet, our children, our schools and finding a way to come together as a nation amid the bi-partisan noise. She left the audience with a request, to write a love letter to yourself.

Signature Projects Spotlight

Signature Projects highlight the visionary ways the JLD partners with forward-thinking sponsors to tackle important community issues. *Women L.E.A.D.*, *Kids in the Kitchen* and *Grants for Innovative Teaching* champion creative approaches to emboldening young women to reach higher, empowering children to stay healthy and encouraging teachers who inspire.

Women L.E.A.D. Competition is March 28

Women L.E.A.D. is thrilled to announce that they had approximately 160 initial prospective participants attend their workshops in October 2018 which were held at the three participating Dallas ISD schools: Emmett J. Conrad High School, South Oak Cliff High School and Thomas Jefferson High School. The application deadline was Friday, Dec. 7, 2018. The applications will be scored and 10 finalists will be selected in early February 2019. Speech and Public Speaking Workshops will be held in February to assist the female high school students in turning their application essays into a speech to be presented at a final contest in front of a panel of judges. The 10 finalists will compete in a speech competition on Thursday, March 28 at 6:30 p.m. at JLD Headquarters. Scholarships will be awarded to winners of the speech competition. Mark your calendars now to attend the speech competition! Not only is it inspiring to hear the girls' stories, but active members will get one meeting credit for attending.

Update on last year's *Women L.E.A.D.* winner, Lal Lawmi: Lal is currently attending The University of Texas at Austin, where she is currently in the College of Natural Science. "Receiving this scholarship was a great honor for me. Coming from a single mother family household, I knew finances were going to be a big issue for me to be able to go to college as a full-time student. I have always dreamed of becoming a successful person; specifically, to become a pediatrician. I applied to as many scholarships as I could, and I was very fortunate to be chosen as a JLD scholarship winner of 2018. I am now in the College of Natural Science at UT Austin and this scholarship really alleviates my financial burden. It also plays a significant role in my life as a college student. Knowing that someone believes in me and granted me scholarship money; I am very motivated to work even harder and committed to my future career goal." - Lal Lawmi

Community Grants Presentation

The Junior League of Dallas will hold its annual Community Grants Presentation at NorthPark Center the morning of Saturday, Feb. 16. Rays of Light's Night Lights provided children with special needs a safe environment to enjoy live entertainment, arts & crafts, games, and therapy dogs while their parents enjoyed a night out.
