*Dear Parents and High School Senior Girls,*

The Mid-Cities Alumnae Panhellenic Association welcomes you to our Annual Spring Forum. Today we hope to answer your questions about sorority recruitment by providing ample information to you and your daughter. Our keynote speaker, Nan Poe, Birdville High School counselor, will inform you of the steps you need to take to make this a smooth and comfortable recruitment process. She will also touch on memories of her sorority.

Prior to departing for our luncheon, active sorority women will participate in a Fashion Show to exhibit the “**Dos** and **Don’ts**” of the sorority recruitment wardrobe. Each university has a dress code. Generally, the first rounds are casual in nature and girls can expect to wear shorts, their university recruitment t-shirt, sundresses, etc. The last few rounds are much more formal; heels and dresses are recommended for these rounds. Don’t miss this informative presentation as we want you to rock those stylish threads!

During the luncheon, active sorority women will be seated at each table to answer any of the girl’s questions about college life, sororities and academics. Our actives tend to be from local colleges and universities so there is a good chance you will be able to learn more about your prospective university; especially, Baylor University, Southern Methodist University, Texas A&M University, Texas Christian University, University of Oklahoma, University of Texas and University of North Texas.

Before you leave, please take a look at our “Sorority Table” where paraphernalia from several sororities is proudly displayed.

We sincerely hope that the information contained in this packet will help you immensely in the weeks and months ahead. Please don’t hesitate to contact us if you have any questions concerning recruitment. We are here to assist you. Included in your packet are the following documents:

- Parents Letter
- Information about the Mid-Cities Alumnae Panhellenic Association
- Greek Terminology
- Greek Alphabet
- National Panhellenic Conference Members Information
- University Information: Office of Fraternity & Sorority Affairs
- Recruitment Information Form
- Resume Information
- Area Reference Chairman
- “Mock” Resume

Thank you for joining us today and we wish you the best of luck!

*The Mid-Cities Alumnae Panhellenic Association*

*Dear Parents,*

We are excited that your daughter has an interest in college sorority recruitment. These upcoming four or five years will be one of great change and excitement for your daughter. Joining a sorority is a wonderful way for your daughter to instantly have a home away from home.

It has been documented that sorority members have a higher graduation rate than non-sorority members. They also have many opportunities for growth and leadership. Sororities place great importance on balancing social, philanthropic activities, academics, and sisterhood.

Recruitment is a mutual selection process in which potential members and sorority members decide if they share similar ideals and goals. It is important that your daughter keep an open mind during the recruitment process. Many young women find that they could be happy joining any one of the sororities on their campus.

*Here's what to expect if your daughter receives a bid to a national sorority.* Each sisterhood welcomes its new members with open arms assigning them a big sister who serves as a friend and a mentor while the girl is pledging her sorority. Sororities have a new member education program which stresses the importance of academics, as well as, educates members of their sorority's origins and beginnings. New members must also participate in study hall hours and actives are usually available for tutoring. Chapter retreat gives the new members and actives a chance to bond while in a setting outside of the university. Beyond the first year, opportunities abound for leadership roles within the sorority, the university Panhellenic Council, and much more. After graduation, your daughter always has a network of sisters around the country, alumnae groups to join, and collegiate chapters to assist. Sorority membership is a lifetime experience.

Greek Statistics:

- Every U.S. President and Vice President, except two in each office, born since the first social fraternity was founded in 1825 have been members of a fraternity
- 63% of the U.S. President's cabinet since 1900 have been Greek
- 76% of all Congressmen and Senators belong to a fraternity
- 40 of 47 U.S. Supreme Court Justices since 1910 were fraternity men
- Of the nation's 50 largest corporations, 43 are headed by fraternity men
- 85% of the FORTUNE 500 executives belong to a fraternity
- A U.S. government study shows that over 70% of all those who join a fraternity/sorority graduate, while under 50% of all non-fraternity/sorority persons graduate
- Over 85% of the student leaders on some 730 campuses are involved in the Greek community
- Over \$7 million is raised each year by Greeks nationally
- 850,000 hours are volunteered by Greeks annually

We want to help make your daughter's recruitment a pleasant and smooth experience. If you have any questions concerning recruitment, please feel free to contact our VP Recruitment Master List.

Sincerely,

*The Mid-Cities Alumnae Panhellenic Association*

### *About the Mid-Cities Alumnae Panhellenic Association*

Our organization is open to any alumnae affiliated with one of the 26 National Panhellenic Conference sororities. We meet on the third Tuesday evening of each month September through May. Our members primarily reside in the following cities: Bedford, Colleyville, Euless, Grapevine, Hurst, Keller and Southlake.

**Panhellenic's Purpose:** *to INFORM women of current trends, to PROMOTE the fraternity system, to IMPROVE the Panhellenic image and to STIMULATE a continuing interest in Panhellenic affairs.*

Monthly meeting activities vary from cooking demonstrations, speakers, wine & cheese pairing classes and community service projects. The two main tenets of the organization are to provide information to area high school senior girls interested in sorority recruitment and to raise money for collegiate scholarships which are awarded annually to two area sorority women.

Our Spring Forum is held annually to inform area high school girls about sorority recruitment. Each girl and her mother are given an informational packet which serves as a guide for sorority preparation. We ask that each girl complete the recruitment registration form and mail to our Master List Vice President so that she is registered with her area alumnae Panhellenic, in addition to, the university's Panhellenic.

In addition to our Spring Forum, our organization awards scholarships to active sorority women. The applicants must have graduated from a public or private high school in the Mid-Cities area. She must be in good standing with her sorority, exhibit strong morals/character and perform well academically. We do many forms of fundraising during the year in preparations for the scholarships. Some forms of fundraising include, but are not limited to: poinsettias sale, candy/nut sales and sorority paraphernalia sales. Last year's winners were Sarah Bienek of Keller High School, majoring in public relations at Texas Tech University and Kelsey Stanhouse of Southlake Carroll High School, studying marketing at the University of Oklahoma.
