Each year the Nominating Committee selects Active JLD leaders to represent the League at the Organizational Development Institute (ODI), a leadership training conference hosted by AJLI. ODIs are AJLI leadership development meetings that provide Junior League members with mission-based training in key areas critical to the healthy functioning of a League. This year our delegates will attend ODI in Little Rock, Arkansas, from Friday, Oct. 19 - Sunday, Oct. 21.

# Centennial Endowment Announcement

The Junior League of Dallas Centennial Celebration officially kicked off on Tuesday, October 2nd at JLD Headquarters with the announcement of the newly formed JLD Centennial Endowment Foundation! Currently in our 97th year, the centennial will be celebrated in 2021-2022.

As a separate 501(c)3, the new Centennial Endowment's sole beneficiary is the Junior League of Dallas – specifically for training and support. Such an endowment will mean that eventually every donor dollar raised by the League annually can go to our agencies!

**LEGACY  
OF LEADERSHIP**

*Devotion to Dallas  
for 100 years*

**JUNIOR LEAGUE  
OF  
DALLAS™**

This endowment would not be possible without a lead donor, someone who has a huge heart for the League and understands the power of endowment. Lyda Hill has generously donated \$5 million dollars with a challenge grant of an additional \$5 million dollars. Her generosity will give the Centennial Committee the leverage to seek other donors to access this dollar-for-dollar match, which will result in a \$15 million endowment!

The Centennial Committee has just begun donor conversations to match the additional \$5 million dollars, but the committee has already shown its support by having 100%

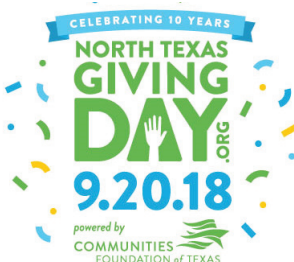

participation by the Endowment Trustees, Centennial Advisors and Centennial Steering Committee members.

Throughout the event, guests viewed the JLD Centennial Celebration logo proudly displayed throughout the room. This logo will be shared on centennial materials and marketed throughout JLD and the City of Dallas as we share our history and legacy. For more than a year, the centennial committee has worked with marketing executive, Dick Mitchell, on creating a JLD Centennial Celebration tag line. Dick Mitchell and his team held a focus group with sustaining and active members, they also reviewed our history and strategic plan when creating, "Legacy of Leadership, Devotion to Dallas, for 100 years."

This logo honors the thousands of trained volunteers and leaders the League has and continues to produce. Our members not only serve as leaders within the League, but in countless ways as volunteers and professionals throughout the City of Dallas. The Centennial Committee hopes when you see this centennial logo, you will think of all the enormous number of women who have for 100 years worked to make Dallas a great place to live. We hope, too, that you will be proud of our Devotion to Dallas for the NEXT 100 years.

For more information on the Centennial Celebration and the JLD Centennial Endowment Foundation, please contact Centennial Co-Chairs, Andrea Cheek at [andrea.g.cheek@gmail.com](mailto:andrea.g.cheek@gmail.com) and Margo Goodwin at [margo.goodwin@charter.net](mailto:margo.goodwin@charter.net).

## North Texas Giving Day Success

The JLD had another successful year with North Texas Giving Day! With 269 donors, over \$37,000 was raised, which will directly support the 39 nonprofit agencies served by the League's Community Program and volunteers. Thank you to all who donated.

# Which JLD Status is Right For You?

The Junior League of Dallas values you – one of its dedicated members – and the impact you make on our Dallas community. We know that life brings changes, and the JLD has options to help you stay involved. All you need to do is follow these simple steps.

**FIRST: CONFIRM YOUR MEMBERSHIP IS IN GOOD STANDING** Any member requesting a status change needs to be in good membership standing. All previous Junior League year obligations (hours, meeting credits and dues) need to be met prior to your status request. Any member who is on probation status will not be granted a status change.

**SECOND: DECIDE ON YOUR NEW STATUS** Members may request Part-Time Active or Full-Time Active Leave status for any of the following reasons:

- **Maternity** is when a member gives birth to or adopts a child (NOTE: Members on Part-Time Maternity status receive credit for one Active year towards Sabbatical or Sustainer).
- **Educational Pursuits** occur when a member attends college courses or pursues an advanced degree or residency program. Members must provide the Membership Chair with proof of enrollment.
- **Medical Reasons** occur when a member is ill, recuperating, has lost an immediate family member or is caring for an ill or recuperating immediate family member.
- **Sabbatical** is available each time a member completes four Active years in good standing. Members on Active Leave for a Sabbatical receive credit for one Active year toward Sustainer status.
- **Non-Residency** occurs when a member lives outside the city of Dallas. Once a member requests Active Leave for Non-Residency, she is on Active Leave indefinitely until Full-Time Active status is requested or the end of that respective JLD Year.

## THIRD: DEFINE YOUR TIME COMMITMENT

There are three different levels of involvement to match your life change and time commitment:

FULL-TIME	PART-TIME	LEAVE
<ul style="list-style-type: none"><li>• 60 placement hours</li><li>• 3 meetings*</li><li>• Active dues</li><li>• 1 year toward Sustainer**</li></ul>	<ul style="list-style-type: none"><li>• 30 placement hours in a part-time eligible placement</li><li>• 3 meetings*</li><li>• Active dues</li><li>• Half a year toward Sustainer**</li></ul>	<ul style="list-style-type: none"><li>• Active dues</li><li>• Sabbatical status: one year toward Sustainer</li><li>• All other Leave status members will not receive a year toward Sustainer**</li></ul>

\*Meetings: Active members may receive credit for up to two group meetings per month.

\*\*Members can apply for Sustainer Status after 10 Active years or 3 Active years and reaching the age of 40.

## FOURTH: SUBMIT MEMBERSHIP STATUS CHANGE FORM

Visit the Resources tab for the “Forms and Request” Page on JLD.net to submit a Membership Status Change Form.

## Signature Projects Spotlight

Signature Projects highlight the visionary ways the JLD partners with forward-thinking sponsors to tackle important community issues. *Women L.E.A.D.*, *Kids in the Kitchen* and *Grants for Innovative Teaching* champion creative approaches to emboldening young women to reach higher, empowering children to stay healthy and encouraging teachers who inspire.

## Grants for Innovative Teaching

At a ceremony and recognition event on Tuesday, Sept. 25, the Junior League of Dallas, along with presenting sponsor Texas Instruments (TI), awarded 50 grants as a part of the *Grants for Innovative Teaching (GFIT)* program. Now in its 27th year, *GFIT* has given more than \$1.7 million to Dallas ISD educators and is designed to encourage excellence in education by funding special projects addressing: reading and literacy enrichment; diversity; special education and science, technology, engineering, arts and math (STEAM) across one or more grade levels. This year, \$89,300 was distributed to fund deserving educators' winning projects. Sponsors include: Texas Instruments (presenting sponsor); Agnes Cluthe Oliver Foundation; and Hillcrest Foundation, Bank of America, N.A., Trustee. Two of the grants selected include: **Robotic Legos®** and **Whole Students Creating Whole Communities**.

Frank Guzick Elementary School was a *GFIT* recipient last year and this year's grant award to teacher Beatriz Zuluaga's **Robotic Legos®** project will be used to expand the current club that was funded by last year's grant award. The additional funding will provide more Lego and robotic programming systems for the club, to increase exposure to STEAM for third through fifth graders in an economically needy area.

**Whole Students Creating Whole Communities** is a project carried out by students at D.A. Hulcy STEAM Middle School, led by teacher Tamara Thomas. Eighth grade students will rebuild a garden area behind their school and study Texas soil and climate to determine which fruits and vegetables will grow best in our region. They will then plant and care for the garden and host their own farmers market to sell their crops to members of their community.

Member Sara Rockey with several 2018-2019 *GFIT* Grant Recipients.

The *Women L.E.A.D.* Committee continues to work with the Dallas Independent School District to promote and attract applicants for *Women L.E.A.D.* scholarships as well as mentor them through workshops, empowering them to deliver a powerful and personal speech that explains their entrepreneurial goals for the future.

Application workshops will be held at Emmett J. Conrad, South Oak Cliff and Thomas Jefferson High Schools prior to the Friday, Dec. 7 application deadline.

The final speech contest will be held on Thursday, March 28, 2019 at 6:30 p.m. at JLD Headquarters where a total of \$25,000 in scholarships will be distributed to four recipients. A meeting credit will be given to members who attend the program.

## Kids in the Kitchen

Sponsored by *UnitedHealthcare*

The *Kids in the Kitchen* (KITK) team, in partnership with United Healthcare, participated in Fresh Food Day on Saturday, Oct. 6th, which is a one-day community event that focuses on establishing and maintaining healthy habits that is hosted by Feed Lake Highlands.

There were over 25 free, family-friendly activities including craft stations, face painting, container gardening and healthy snacks that were put on by 26 community agencies including Baylor Scott & White Health, Kids-U, Richland College and Forest Green Branch Library.

The KITK team helped 400 kids and their families make and decorate whole grain waffles and decorate their very own chef hats to take home.

# Proposed Dues Changes for 2019-2020

---

Have you ever wondered what your dues will cover? Dues received from JLD members are intended to cover the training and support costs of the League, including dynamic speakers and trainers at meetings, the headquarters building and staff and the infrastructure of the League that supports our ability to provide high caliber volunteers to the community.

JLD dues have not increased for the past eight years. The Finance Committee takes a very active role in budget creation and management to ensure that the finances of the Junior League are utilized as fiscally responsibly as possible. After much research and planning, the committee concluded that in order to maintain our level of community support, our wonderful Headquarters staff and keep up with added general costs and inflation, a dues increase is prudent and necessary. A dues increase will provide revenues at an appropriate level to continue delivering trained, impactful volunteers to our community agencies.

## Proposed Dues:

**Active Member - \$295**

**Sustaining Member - \$170** (up to age 64)  
**\$95** (age 65 and over)

## When to vote:

Voting will be live online beginning Monday, Nov. 5, one week before November's General Membership Meeting on Monday, Nov. 12.

## For more information:

The Finance Committee will be attending several In-League meetings this fall to answer questions.

Members can find more information on their membership page on [jld.net](http://jld.net).

## Save the Date!

Please join us on Saturday, Feb. 16 at Northpark Center from 9 a.m. - 4 p.m. for the 2019-2020 Community Grants Presentation followed by the Community Volunteer Fair.

We will be announcing which agencies the JLD will support in the upcoming year, sharing how you can volunteer with one of our partner agencies, and hearing from the agencies themselves what placement opportunities are available.
