Dear Sisters,

The **Gamma Chi** chapter of **Alpha Delta Pi** is hosting our second annual **ADPicnic** philanthropy event on **Saturday, Oct. 19** from **12-2 p.m.** on Texas Christian University's campus. ADPicnic is a family friendly event. We invite you to spend the afternoon with us enjoying food, fun and games while supporting **Ronald McDonald House Charities** and the **Alpha Delta Pi Foundation**. Guests can eat lunch and participate in a cornhole tournament, outdoor games, face painting and more! This year our goal is to raise **\$25,000** and we cannot reach this milestone without your support!

Please visit [CrowdChange](#) to purchase your ADPicnic event tickets, raffle tickets and/or cornhole team registration.

We would also like to ask for your help in making this event a success for our chapter and Ronald McDonald House Charities. Your consideration of a donation or sponsorship in support of ADPicnic is greatly appreciated.

Thank you so much for your participation and assistance in making our fundraiser a success for Ronald McDonald House Charities. We hope to see you at ADPicnic on October 19!

Dear Sisters,

On **Monday, Oct. 28**, the **Fraternity and Sorority Political Action Committee (FSPAC)** will be hosting a reception at the **Dallas Country Club** (4155 Mockingbird Ln, Dallas, TX 75202) from **6-8 p.m.**

Alpha Delta Pi is a committed board member of the FSPAC. We invite you to join us and get involved.

There has never been a more critical time to play a part in defending and enhancing the sorority experience. Increasingly, colleges across the nation have threatened students with reprisals for belonging to single-sex organizations, placed limitations

on membership recruitment, and sanctioned or punished the many for the actions of the very few.

The Fraternity and Sorority Political Action Committee (FSPAC) exists to build strong relationships with candidates and lawmakers at the Federal level, and to advocate for legislation and policy that will preserve our single-sex status, protect the right to freedom of association, provide due process rights for individuals, and gain equitable tax treatment on donated dollars for member housing.

Recently introduced in the House of Representatives, **The Collegiate Freedom of Association Act (CFAA)** is the most significant and vital piece of legislation for fraternities and sororities since Title IX in the 1970s. Additionally, the **REACH Act** and **The END ALL Hazing Act** are two powerful bills moving through Congress that will ensure more transparency and accountability for hazing incidents.

You can learn more about what is happening on Capitol Hill, mix and mingle with Alpha Delta Pi sisters and get involved in keeping Alpha Delta Pi a single-sex organization.

I hope you will be able to join us on October 28. If you are not able to attend, please consider making a donation to the FSPAC. Every dollar will help.

Register or make a contribution [here](#). When asked "Who asked you to contribute?" please answer "Alpha Delta Pi."

I look forward to personally thanking you for your help on October 28.
